Ms. Parker,

We have reviewed the above mentioned special use permit and rezoning applications, and have the following comment:

- We concur with both the special use permit and rezoning applications, so long as the only access to the site is the existing two (2) main entrances to Holiday Chevrolet. All other access points shall be removed.

Should you have any questions please contact me at 253-4832.

Sincerely,

Anthony L. Handy, PE, LS
