COUNTY OF YORK
MEMORANDUM

DATE: February 15, 2000 (BOS Mtg. 2/16/00)

TO: York County Board of Supervisors

FROM: Daniel M. Stuck, County Administrator

SUBJECT: Request for Tourism Fund Allocation—Williamsburg Area Chamber of Commerce

At the Regular Meeting held December 1, 1999, the Board considered tourism fund allocations to various organizations, which included the Williamsburg Area Chamber of Commerce. After much discussion, the Board deferred action concerning the request of the Chamber for funding to support the construction of its new office building until the FY2001 budget deliberations.

Attached for your information and consideration is correspondence from the Chamber dated February 15, 2000, the November 19, 1999, memorandum outlining the funding request from the Chamber, and excerpts from the December 1 minutes. It is my understanding that Executive Director Bob Hershberger and Don Messmer will be present to speak concerning the request and answer any further questions you might have.
