1.0 PURPOSE:

This Request for Quotation (RFQ) is issued on behalf of County of York, Virginia, Department of Public Works (hereinafter the "Owner") to procure the services of a qualified Contractor to furnish and install 82 feet of continuous 16 foot long sheet piling at the Bay Tree Beach pump station. The sheet piling can be new or used sheet piles in the Z-shape or equivalent but shall have a minimum 80% material grade thickness though out. There shall be no holes greater than or more frequent than product specification allow for structural integrity or they will need to be repaired and meet product specifications. In addition to the above, no holes greater than 1.25 inches in diameter will be acceptable and any hole less than 1.25 inches must be patched in the top six feet of the sheets as driven.

2.0 SCOPE OF SERVICES REQUIRED:

The selected Contractor shall provide all material, tools, consumables, equipment, vehicles, labor, supervision, permits, and insurance required to:

1. Provide and install Z-shaped sheet piles of length 16 feet along a section of the perimeter of the pump station as noted on the plan.
2. The installation of the sheet piles shall be done by a vibratory method and shall have minimal land disturbance.
3. Contractor is responsible for calling Miss Utility for utility marking and to avoid any utility structures on site. The Owner shall be responsible for relocating any utilities that cannot be avoided.
4. The elevation of the existing concrete slab at the pump station is 6.5 feet. The top of the sheet pile wall is to be elevation 5.25 feet with a tolerance of plus or minus three inches. This top elevation may be achieved by cutting off the top of the sheets; however, a minimum pile length of 16 feet must be maintained.
5. Contractor shall provide a continuous wall 82 feet long in the configuration shown on the plan. Provide and install 45 degree corners if necessary to achieve the continuous wall. All sheet piles shall be interlocked into the adjacent sheet(s) on either side for their full height.
6. Once Owner has inspected and accepted the installation, Contractor shall cover the tops of the sheets by returning the area to the grade found prior to installing the sheets.
7. Contractor shall remove and properly dispose of all debris and shall leave the site in the condition it was prior to installing the sheets.

3.0 PRE-BID MEETING:

An Optional Pre-bid Meeting will be held at **9:00 a.m., Wednesday, August 3, 2016** at the Public Works Office, 105 Service Drive, Yorktown, Virginia 23692 for the purpose of reviewing the Drawing, Specifications, Bid and Contract Documents, and to clarify any aspect of the work that may be in question.

4.0 BID SUBMITTALS

1. Name and location of company, years in business, and three (3) references for previous experience with similar types of work. Reference information shall include names, addresses and telephone numbers for each reference see Section 12.0.
2. A complete description of the proposed sheet piles including manufacturer's data, whether new or used, sheet type and profile, wall thickness (if used, provide original and current), material and certification regarding condition, and suitability for intended use.
3. Cost to complete all work proposed in this Request for Quotation (RFQ) including installation of all items (lump sum).

4. An estimated timeline to complete the work, including lead-time to acquire the sheet piles and installation time.

5.0 EVALUATION CRITERIA:

Evaluation of quotation will be under the complete jurisdiction of the Owner. In addition to those found in the York County Purchasing Policy, the evaluative criteria (not necessarily listed in order of priority) listed below will be used in the review of quotations submitted as a result of this solicitation.

- Ability of the firm to perform required work. This will be evaluated by a review of past performance.
- Costs of the work to the Owner.

6.0 INFORMATION FOR BIDDERS:

1. All quotes must be submitted on or in accordance with this form. If more space is required to furnish a description of the commodities and/or services offered or delivery terms, the bidder may attach a letter hereto which will be made a part of the quote. All quotes must be submitted and plainly marked using quote number and project name.
2. Quotes and amendments thereto, or withdrawal of quotes submitted, if received by Owner after the date specified. It will be the responsibility of the Bidder to see that his bid is in the Central Purchasing office by the close of business (5:00 p.m.) on the specified date. Verbal bids will not be accepted.
3. Prices should be stated in units of quantity specified, with packing and delivery to destination included, less Federal, State and local taxes.
4. The time of proposed delivery must be stated in definite terms. If delivery for different commodities varies, the bidder shall so state. Length of time for delivery as well as price may be considered in awarding of quote.
5. Samples, when requested, must be furnished free of expense, and if not destroyed will, upon request, be returned at the bidder's risk and expense.
6. All prices and notations must be in ink or typewritten. No erasures permitted. Mistakes may be crossed out and corrections made in ink adjacent and must be initialed and dated in ink by person signing quotations. Quotations must show unit price, amount and grand total. In case of error in the extension of prices, the unit price shall govern.
7. Unless qualified by the provision "NO SUBSTITUTE," the use of the name of a manufacturer, brand, make or catalog designation in specifying an item does not restrict bidders to the manufacturer, brand, make or catalog designation identification. This is used simply to indicate the character, quality and/or performance equivalence of the commodity desired, but the commodity on which bids are submitted must be of such character, quality and/or performance equivalence that it will serve the purpose for which it is to be used equally as well as that specified. In submitting bids on a commodity other than as specified. Bidder shall furnish complete data and identification with respect to the alternate commodity he proposes to furnish.

Consideration will be given to bids submitted on alternate commodities to the extent that such action is deemed to serve best the interests of the Owner. If the Bidder does not indicate that the commodity he proposes to furnish is other than specified, it will be construed to mean that the Bidder proposes to furnish the exact commodity described.

8. Bidder declares that the quote is not made in connection with any other Bidder submitting a bid for the same commodity or commodities, and that the bid is bona fide and is in all respects fair and without collusion or fraud.
9. Award will be made to the most responsible and responsive bidder. The quality of the articles to be supplied their conformity with the specifications, their suitability to the requirements of the County, and the delivery terms will be taken into consideration in making the award.
10. The Owner reserves the right to award by item, groups of items or total bid; to reject any and all bids in whole or in part, and to waive any informality or technical defects if, in its judgment, the best interests of the Owner will be served.
11. Cash discounts may be offered by bidder for prompt payment of bills, but such discount will not be taken into consideration in determining the low bidder but will be taken into consideration in awarding tie bids. The discount period will be computed from the date delivery is accepted at destination or from date correct invoice is received by consignee, whichever is the later date.
12. Acceptance of a bid by the Owner is not an order to ship.
13. Each bid is received with the understanding that the acceptance in writing by the Owner of the offer to furnish any or all of the commodities and/or services described therein, shall constitute a contract between the bidder and the Owner, which shall bind the bidder on his part to furnish and deliver the articles quoted on at the prices stated and in accordance with the conditions of said accepted bid; and the Owner on its part to order from such contractor, except for causes beyond reasonable control; and to pay for, at the agreed prices, all articles specified and delivered.
14. Any equipment delivered must be standard new equipment latest model, except as otherwise specifically stated in bid. Where any part or nominal appurtenances of equipment is not described, it shall be understood that all the equipment and appurtenances which are usually provided in the manufacturer's stock model shall be furnished.
15. In event of default by the Contractor, the Owner reserves the right to procure the commodities and/or services from other sources, and hold the Contractor liable for any excess cost occasioned thereby. If, however, public necessity requires use of materials or supplies not conforming to the specifications, they may be accepted and payment therefor shall be made at a proper reduction in price.
16. The contractor guarantees to save the Owner, its agents or employees, harmless from liability of any nature or kind, for use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, articles or appliances furnished or used in the performance of the contract, or which the contractor is not the patentee, assignee or licensee.
17. All quotations must be signed with the firm name and by a responsible officer or employee. Obligations assumed by such signature must be fulfilled.

18. Verify your quotations before submission as they cannot be withdrawn or corrected after being opened.
19. If you do not quote, return this sheet and state reason. Otherwise your name may be removed from our mailing list.

7.0 GENERAL TERMS AND CONDITIONS:

Applicable Policy:

This solicitation is subject to the provisions of the County of York, Virginia, Procurement Policy (Ordinance No. 12-13[R] effective September 19, 2012), and any revisions thereto.

7.1 Mandatory Use of County Form:

All responses to an Invitation for Bid (IFB) must be submitted on and in accordance with this form. If more space is required to furnish a description of the commodities and/or services offered or delivery terms, the bidder may attach a letter hereto which will be made a part of the bid. All quotes must be submitted in a sealed envelope plainly marked using the Request for Quote (RFQ) number and mailed or delivered to the Central Purchasing Office by the close of business (5:00PM).

Opening Date/Time:

Quotes and amendments thereto, or withdrawal of quotes submitted, if received by the Owner by 5:00PM prior to the close of the business day. It will be the responsibility of the Bidder to see that his/her bid is in this office by the specified time and date. There will be no exceptions. Date of postmark will not be considered. Phone or telegraphic quotes (including FAX) will not be accepted.

Inconsistencies In Conditions:

In the event there are inconsistencies between the General Terms and Conditions and the Special Terms and Conditions, if any, and/or other schedules contained herein, the latter two shall take precedence.

Clarifications of Terms:

If any prospective bidder has questions about the specifications or other solicitation documents, the prospective bidder should contact the buyer whose name appears on the face of the solicitation. Any revisions to the solicitation will be made only by written addendum issued by the Owner.

Testing/Inspection:

The Owner reserves the right to conduct any test/inspection it may deem advisable to assure supplies and services conform to the specification.

Invoices:

Invoices for goods ordered, delivered and accepted shall be submitted direct to 'INVOICE TO:' address shown on the purchase order/contract. All invoices shall show the contract number and/or purchase order number. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after acceptable invoice or delivery, whichever occurs last. However, this shall not affect offers or discounts for payment in less than 30 days.

Default:

In event of default by the Contractor, the Owner reserves the right to procure the commodities and/or services from other sources, and hold the Contractor liable for any excess cost occasioned thereby. If, however, public necessity requires the use of materials or supplies not conforming to the specifications, they may be accepted and payment therefor shall be made at a proper reduction in price.

Ethics in Public Contracting:

By submitting their bids, all bidders certify that their bids are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other bidder, supplier, manufacturer or subcontractor in connection with their bid, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised unless consideration of substantially equal or greater value was exchanged.

ANTI-DISCRIMINATION:

By submitting its bids or proposals, Bidder certifies to the Owner that it will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Act of 1975, as amended, and Section 2.2-4311 of the Virginia Public Procurement Act which provides:

In every contract over \$10,000, the provisions of a. and b. below apply:

a. During the performance of this Contract, the Contractor agrees as follows:

The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex or national origin, age, disability, status as a service disabled veteran, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

Contractor, in all solicitations for advertisements for employees placed in behalf of Contractor, will state that Contractor is an equal opportunity employer.

Notices, advertisements and solicitations placed in accordance with Federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

During the performance of this contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement

notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

- b. Contractor will include the provisions of a. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

Immigration Reform And Control Act of 1986:

By signing this bid or proposal, the bidder certifies that it does not and will not during the performance of this contract violate the provisions of the Federal Immigration Reform and Control Act of 1986, which prohibits employment of illegal aliens.

Indemnity:

The following shall be deemed incorporated into any contract awarded as a consequence of this bid to the same extent as if fully set forth therein:

Contractor and all subcontractors shall bear all loss, expense (including reasonable attorney's fees) and damage in connection with, and shall indemnify Owner against and save Owner harmless from all claims, demands, and judgments made or recovered against Owner because of bodily injuries, including death at any time resulting therefrom, and/or because of damage to property, from any cause whatsoever, arising out of, incidental to, or in connection with the work, whether or not due to any act of his or their employees, servants or agents and whether or not due to any act of omission or commission, including negligence but excluding sole negligence, of the Owner, his employees, servants, or agents. Compliance by the Contractor with the insurance provisions hereof shall not relieve Contractor from liability under this provision.

Should Contractors or subcontractors use any of Owner's equipment, tools, employees, or facilities, such will be gratuitous and Contractor shall release Owner from and indemnify and save harmless Owner from and against any claims for personal injuries, including death, arising out of the use of any such equipment, tools, employees, or facilities, whether or not based upon the condition thereof or any alleged negligence of Owner in permitting the use thereof.

8.0 SCC REGISTRATION REQUIRED:

If Contractor is organized as a stock or nonstock corporation, a limited liability company, a business trust, or a limited partnership, or is registered as a registered limited liability partnership, Contractor must be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Code of Virginia, or as otherwise required by law. If Contractor allows its existence to lapse, or its certificate of authority or registration to transact business in the Commonwealth of Virginia to

expire, or be revoked or cancelled, such will be deemed an act of default enabling Owner to all remedies for default, including but not limited to revocation of this contract/agreement.

9.0 INSURANCE: (Revised 04/2012)

The Contractor shall carry insurance in the amount specified below, including the Contractual Liability assumed by the contractor and shall deliver certificates of insurance from carriers acceptable to the owner specifying such limits, along with a proper endorsement naming the "County of York, its Officers, Agents and Employees as Additional Insured, with primary status, without participation from the County's insurers" (on Form No. GL-20-10, or its equivalent) on applicable policy(s). The provisions of this paragraph shall be deemed included in the contract as if fully set out therein.

Further, the successful CONTRACTOR agrees they shall immediately notify, in writing, the Owner of any changes, modifications, and/or termination of any insurance coverages and/or policies required by the resulting contract.

10.0 AWARD AND EXECUTION OF CONTRACT:

Award of Contract:

The contract will be awarded or the bids rejected as soon as reasonably possible, but not later than sixty (60) days after the date of opening bids, unless the period for acceptance is otherwise extended at request of Owner and agreed to in writing by the bidder, or bidders.

Form of Contract:

An example of the proposed contract format is enclosed. Both parties shall execute this contract prior to approval by the County Attorney.

Copies of the Payment and Performance Bonds are also attached.

Entering Contract:

Upon award of the Contract to a bidder, such bidder shall enter into the Contract by signing the Contract within ten (10) calendar days after the date of the award or within such further time as the owner may allow. All documents referred to are attached hereto.

No contract shall result from the submission of any bid and no liability shall accrue with respect thereto until a written contract and accompanying documents have been fully and completely executed on the part of the successful bidder and the Owner. However, failure by the successful bidder to enter into a written contract shall cause the successful bidder to forfeit the full amount of the bid guarantee to the Owner.

Execution of Documents:

All documents which the bidder is required to execute shall carry the signature of the president of the corporation, the corporate seal and shall be attested by the secretary of the corporation provided, however, if the board of directors of a corporation authorizes another officer to act for the corporation, then a sealed and attested copy of such authorization shall accompany the signature of such other officer. In the case of an individual, the individual to be bound shall sign; and in the case of a partnership, the signature of a partner shall bind the partnership; and in the event of a limited liability company, a member (or the manager, if any) shall sign.

Subcontracts:

Before making any subcontract, the Contractor must submit a written statement to the Owner, giving the name and address of the proposed subcontractor, the portion of the work and materials which he is to perform and furnish and a statement in writing from such subcontractor that he waives all rights to assert any claims, actual and/or consequential against the Owner allegedly arising from or growing out of any delays in the work schedule or any failure of the contractor to pay such subcontractor any sums owed by the contractor to such subcontractor.

If the Owner finds that the proposed subcontractor is qualified, he will so advise the Contractor in writing. The Owner may revoke approval of any subcontractor only for good cause. Notice of such revocation of approval will be given in writing to the Contractor by the Owner. If the Owner determines for good cause that a subcontractor is not qualified, Owner shall so notify Contractor, and Contractor shall not thereafter enter into any subcontract with the subcontractor in connection with the contract.

Separate Contracts:

The Owner reserves the right to let other contracts in connection with the project, the work under which will proceed simultaneously with the execution of this Contract. The Contractor shall afford other separate contractors reasonable opportunity for the introduction and storage of their materials and the execution of their work and the Contractor shall take all reasonable action to coordinate his work with theirs. If the work performed by the separate contractor is defective or so performed as to prevent the General Contractor from carrying out his work according to the plans and specifications, the Contractor shall immediately notify the Owner upon discovering such conditions. Upon receiving notification, the Owner shall take such appropriate steps as are necessary to allow the Contractor to carry out his work under this Contract, and appropriate extensions of time and change orders shall be given to the Contractor for any delays and extra costs caused by the separate contractor's failure of proper performance.
