York River Charters is the only fishing charter operation contracted to dock at beautiful Riverwalk Landing in historic Yorktown, VA.

Experience all that our local waters have to offer from the well equipped *Catchin' Up*. She gives Captain Alan the ability to easily slip your party into a secluded creek or tranquil flat, as well as safely dash you out into the deeper waters of the bay.

Our guests have the opportunity to enjoy a truly personalized experience on the water. This may mean tailoring a fishing charter combining some bottom fishing for croaker or flounder with an equal amount of time spent live baiting for cobia or trolling for striped bass. For others it may mean an intimate sunset cruise topped off by a river view dining experience in Yorktown.

Either way, your Captain's unique prospective and knowledge of the region are sure to give you reason to join us many times in the future and become yet another lifelong *rival* friend.

Catchin' Up is available 7 days a week to take 1/2, 3/4 and full day fishing charters and 2 or 4 hour sightseeing/pleasure cruises. We carry sightseeing parties of up to 6 and fishing trips for 4.

No fishing licenses are required of our guests. All bait and tackle is provided as well.
