

School Division

The School Division issues its own separate annual budget documents. Details of the School Division budget can be accessed via the internet at <http://yorkcountyschools.org/schoolBoard/finance.html>.

York County School Division Operations

The mission of the York County School Division is to ensure the success of all students through a rigorous and innovative instructional program of public education that expects the highest levels of excellence from staff and students. All students will become lifelong learners prepared to compete in a global economy.

State revenue is based on the General Assembly's budget and includes basic aid, state sales tax, lottery funds, gifted education, remedial programs, special education, vocational education and employer share benefits. State basic aid is calculated by the state according to the locality's Composite Index, projected adjusted average daily membership and an established per pupil cost. The sales tax is imposed on retailers, collected on a statewide basis and distributed to local education agencies monthly based on school age population.

Federal revenue includes Title I-A, Title II-A, Title IV-A, Title V-A, Title VI-B and Impact Aid. Local support reflects the County's contribution for the operation of the school system. Other revenues include interest, rental and lease income, use of vehicles and buses, sale of equipment and tools, debt service reimbursement, pupil fees, tuition for students residing outside the district and summer school and insurance recoveries.

York County School Division Construction

The following maintenance and capital projects are planned in FY2009 for school facilities:

- Roof repair and replacement at the Maintenance Facility Warehouse and Waller Mill Elementary.
- The addition of ten classrooms at Yorktown Elementary School to support projected student growth due to housing construction.

The County anticipates a borrowing to assist with the funding of the above projects.
