Camp for Grades Completed 5-7

Queens Lake Middle School ✨ Tabb Middle School

Middle School campers will receive a calendar/schedule highlighting activities for the day, including field trips. Field trips will be held twice a week. Participants should be dropped off **30 minutes** prior to scheduled departure. This ensures participants can be properly assigned to groups and staff for supervision. In addition, no staff will remain at the site after departure of the field trip. Any participants in summer school will need to be picked up from their summer school location at the end of their summer school class. Summer school bus drivers are informed not to transport them to camp on scheduled field trip days.
