*The Eco-Art and Nature Camp is a week long outdoor camp at New Quarter Park. This camp is for children who love the outdoors! Each day we have different themes that go along with our activities. The themes are: mammals, habitat, birds, trees and a learning project on the last day. We will be doing hands on activities, creating artwork out of recycled natural materials, outdoor games, hikes and more. Participants need to bring a lunch, snack, and reusable water bottle daily.*
