*The following questions have been developed to determine how organizations and advocacy agencies perceive York County's ability to provide services and accommodations for individuals with disabilities and to ask for input regarding how programs, services and activities may be more accessible for individuals with disabilities.*

1. What direct communications have you had with York County to facilitate services and accommodations for individuals with disabilities?
2. Are there any specific complaints or problems regarding access for individuals with disabilities to any of the programs, services or activities provided by York County?
3. What information or other resources can you supply to help educate or inform York County about your organization and your services for individuals with disabilities?
4. What general guidance, advice or assistance could your organization provide to York County to protect against potential discrimination of individuals with disabilities in its programs, services and activities?
5. What do you feel is the highest priority for York County to improve accessibility for individuals with disabilities?

Please add any additional comments on the back of this survey or attach any additional documents.

**Thank you for your input.**
