

# COUNTY OF YORK

## MEMORANDUM

**DATE:** November 5, 2019 (BOS Mtg. 11/19/19)

**TO:** York County Board of Supervisors

**FROM:** Neil Morgan, County Administrator 

**SUBJECT:** Acceptance and Appropriation of Local Emergency Management Performance Grant Funds

The Virginia Department of Emergency Management (VDEM) receives funds each year from the U.S. Department of Homeland Security (DHS) Federal Emergency Management Agency (FEMA) for distribution to localities for use in a variety of approved emergency management activities. \$50,335 in Local Emergency Management Performance Grant funds have been allocated to York County Department of Fire and Life Safety for FY2020.

The County historically used these funds to pay a portion of emergency management support staff salaries. Funds will continue to be used for this purpose in FY2020. Board approval is required for all grants greater than \$50,000.

Proposed Resolution R19-142, if adopted, would accept the grant from VDEM and authorize the County Administrator to execute grant agreements/arrangements for this purpose and to appropriate the funds in the General Fund.
