

## Summer Craft - Star Art Books | Ages 5-12

### Stars and galaxies by James Buckley

A highly visual introduction to the stars and constellations of the Milky Way and beyond teaches elementary science vocabulary while sharing fun facts about subjects ranging from dwarfs and supergiants to the speed of light and how to stargaze.

### Stories in the stars : an atlas of constellations by Susanna Hislop

In an illustrated volume, a writer and stargazer and an international artist join forces to leap between centuries, cultures and traditions, presenting a whole universe of stars and their stories in all their blazing glory.

### The fox on the swing by Evelina Daciūtė

Paul, a boy who lives with his parents in a tree in the park, makes friends with a fox who likes to swing in the park, but he worries when his father says that they have to move

### First big book of space by Catherine D. Hughes

A sumptuously illustrated latest edition to the series that includes National Geographic Little Kids First Big Book of Dinosaurs introduces basic concepts about outer space, from the sun and the moon to the planets and space exploration.

### Star climbing by Lou Fancher

When he cannot sleep, a little boy imagines himself on a nighttime journey across the sky where he can run and dance with star constellations, including Leo the Lion, Pisces the Fish, and Cygnus the Swan.

### Stellar stargazer! by Jane O'Connor

With her trademark flair and do-it-yourself attitude, Fancy Nancy manages to turn gazing at the sky into a celestial experience, in a new title in the best-selling series which features a glow-in-the-dark cover. 175,000 first printing.

### Henry's stars by David Elliot

Henry the pig is excited to spot the Great Pig in the sky one starry night, but when he shows the other farm animals, he gets frustrated because they each see something different.

### Stars! Stars! Stars! by Nancy Elizabeth Wallace

When Minna expresses an interest in stars, her mother suggests she invite a few friends to a star party, including a special dinner, a trip to the new Star Space at the Children's

Museum, and star-gazing
