REGISTRATION BEGINS MONDAY, APRIL 14

Location: Yorktown Elementary School

Safety Town gives rising Kindergarten children and their parents important life safety information to help children avoid dangers and develop safe practices. Each day of the week features a different safety topic, including vehicle/ pedestrian, fire, home, and personal safety. Each subject, in turn, is divided into five enjoyable 20-minute interactive sessions that the children rotate through that day. A mini-town with traffic signs, roadways, and tricycles is indoors to teach traffic and pedestrian safety. Classroom rotations will include guest speakers, real-life props, and instructive puppet shows!

Children preparing to enter Kindergarten in the Fall of 2025 are eligible to attend Safety Town, meaning they must be five years of age by September 30, 2025. Registration starts May 5 for county residents and May 12 for non-county residents for all sessions until full. Look for a Safety Town flyer in your child's Kindergarten Registration Packet, OR register online at www.yorkcounty.gov/parksandrec. You may also register at the Parks and Recreation Office from 8:15 am - 5:00 pm, Monday - Friday.

CarFit is a free community-based educational program developed by AARP and the American Occupational Therapy Association to help mature drivers assess how well they and their cars “fit” together and what actions they might take to improve that fit. At the CarFit event, a team of trained professionals will complete a 12-point checklist, including the position of the driver’s seat, the driver’s ability to reach pedals easily, and proper adjustment of mirrors. The 12-point check takes about 20 minutes. Adequate fit in your car can significantly increase the driver’s safety and the safety of others. The program provides information and materials on community-specific resources that could enhance their safety as drivers.

Make your CarFit appointment online or drive up on the event day. For information, call (757) 890-4102.
