DAILY:

Children must be signed in and out daily in the gymnasium by an adult (18 or older). There is a crate with a folder for each family at the sign in/out cart. Parents should check this folder each day for schedules, information, changes, etc. **This year your child will be divided into groups-please see the group lists to see which group your child has been assigned to.** Each group will have their own room to leave their personal belongings in. Please note scheduled time of activities so your children get to enjoy the activities planned. Parents need to send the following items with their child every day to camp: Lunch, 2 snacks, re-fillable water bottle, sunscreen, tennis shoes.

ACTIVITIES:

Morning/Closing Stations: Due to the number of children in this year’s Summer Fun Program, we ask that once your child is signed in, they place their personal in their respective classrooms/laundry basket and go to one of three stations: active station is in the gym, board games/coloring/cards in the Skytree room, or Legos/building blocks in the Ginza room.
