June - James Orband

Wormley Pond (Elevated part of National Park Service Tour Road)

A mild, spring day with a beautiful blue sky. The reflection of the tree woods line is seen in the pond. Such a quiet and enjoyable view.

Things to Know in York County

Shop One of the Most Unique Farmers Markets in Hampton Roads!

Offering spectacular views of the York River, live entertainment, food trucks, and a variety of vendors and artists, it's easy to see why customers return to Yorktown Market Days week after week! Shop for seasonal produce; fresh seafood, meats, and eggs; bread and baked goods; handmade soaps and candles; jams, sauces, jellies, and honey; gourmet dog treats; and beautiful handcrafted items from local artists.

The 2025 season starts with Winter Markets on select Saturdays in February and March, and then continues every Saturday from 8am – Noon beginning April 12 through the end of October (except May 3 and October 4). Be on the lookout for several extended markets featuring fun, family-friendly themes, especially during the fall and holiday seasons!

Yorktown Market Days promotes environmental awareness and green efforts, including the distribution of reusable/cloth shopping bags. The York County Beautification Committee will trade you a reusable bag for your plastic ones when the committee attends the markets. Some vendors offer wooden forks, paper straws, and even glass bottles that can be recycled for product discounts. Free parking is available in several public lots within walking distance (or a short Trolley ride) to the waterfront.

The Market participates in the SNAP program, which ensures all families in our community have access to fresh fruits, vegetables, and other healthy food options. Visit the information tent to purchase special tokens with an EBT card and learn about participating vendors.

VPPSA Compost Facility/ Household Chemical Disposal and Computer Recycling

The Virginia Peninsulas Public Service Authority (VPPSA) provides residents of member communities with a number of services.

Located at 145 Goodwin Neck Road, the VPPSA Compost Facility processes over 30,000 tons of vegetative yard waste annually. Anyone (residential or commercial) may purchase compost and mulch products produced on site at the facility.

VPPSA also offers the opportunity to safely dispose of a variety of household chemicals and computer equipment. York County chemical collection and computer recycling events are held from 8am – Noon on the second Saturday of May, September and November. On these dates, residents of any VPPSA member community may bring accepted materials to the Public Works Complex located at County Drive, just past the Waste Management Center on Goodwin Neck Road. This service is available to residents only – no businesses, please.

Acceptable items include computers, monitors, small copiers and desktop printers, and other computer-related electronic devices. Televisions are not accepted.

Free, on-site shredding services will also be provided to residents who want to securely shred their personal documents. Visit www.yorkcounty.gov/wastemanagement for more details prior to these events.

Leaf Collection Schedule and Zones

Leaves typically are collected during the months of November through January. During this time, York County residents who reside on publicly maintained streets or roads can place an unlimited number of clear bags of leaves at the front roadside for collection every other week.

Residents who live in private communities or on privately maintained streets or roads may bring leaves to the closest public roadway for collection. In addition, ALL RESIDENTS may bring leaves year-round to the VPPSA Compost Facility located at 145 Goodwin Neck Road, Monday through Saturday, 8am – 4pm.

For leaf collection purposes, York County is divided into two zones:

The **Northern Zone** includes all homes on and north of Dare Road, including neighborhoods along Wolf Trap Road, Goodwin Neck Road, and homes in and near Marlbank, Edgehill, Queens Lake, Hubbard's Lane, Skimino, and Lightfoot.

The **Southern Zone** includes all homes south of Dare Road, including neighborhoods in Grafton, Tabb, Brandywine, Coventry, Kiln Creek, Calthrop Neck, Running Man, and Carys Chapel Road area.

Leaves must be in clear bags, no thicker than one millimeter (no drawstrings, please!) and bags must be easy to handle by one person (max. weight limit = 40 pounds). Clear bags can be purchased at local hardware, grocery, and department stores. Bags containing other yard debris (sticks, etc.) and/or pet waste will not be accepted.

Bags must be at the front roadside by 7am on the Monday of your collection week. Pick up will be completed by the end of the week. For additional information or to see the leaf collection schedule, please click on "Leaf Collection" at www.yorkcounty.gov/wastemanagement.

York County Beautification Committee

The York County Beautification Committee (YCBC) was established by the York County Board of Supervisors to “promote a cleaner, more attractive York County and increase awareness of environmental issues among York County citizens.” The YCBC is focused on increasing awareness of environmentally-friendly practices. The focus throughout the year is conserving and protecting our waterways, incorporating the use of native plants in our gardening, and keeping the environment clean of litter through recycling, cleanup opportunities, and increased education! If you would like to be a part of this dedicated, growing partnership between local government, businesses, and civic groups, or for general information about the YCBC, please visit www.yorkcounty.gov/ycbc or call 757-890-3780.

2025 Beautiful York County

The Beautiful York County Calendar Photo Contest is coordinated by the YCBC and funded through support from the York County Board of Supervisors, the York County Department of Public Works, Waste Management and Stormwater Divisions, and the YCBC. Photos were solicited from York County amateur photographers. This year’s theme was “Nature is Magic”, and required photos that were taken in York County. For more information on the Calendar Photo Contest or the YCBC, please call 757-890-3780 or visit www.yorkcounty.gov/ycbc.

Department of Public Works

The Department of Public Works includes the divisions of Construction Inspection, Engineering, Facility Maintenance, Fleet Services, Infrastructure Management, Stormwater & Grounds Maintenance, Mosquito Control, Utilities Operations, and Waste Management. Administrative Offices are located at 105 Service Drive, Yorktown. For more information about the department or any of its divisions, please call 757-890-3750 or visit www.yorkcounty.gov/DPW.

Cover Photo

Congratulations to Dereck Wilson whose photo was chosen to grace the cover of the 2025 calendar.

The subject of this photograph is Queens Creek, a unique ecosystem. Fresh water is fed to the creek from Waller Mill Reservoir but the creek is affected by the tides, pushing brackish water up from the York River. There are birds, crabs, mussels and muskrats throughout the area.

This photo was taken at Queens Creek.
