Fiscal Year 2023 Budget Development Begins

The Board of Supervisors held a public forum at its January 18 meeting to gather input from citizens on their priorities for the upcoming budget. The County Administrator and staff are working to put together a proposed budget for the next fiscal year (July 1, 2022 – June 30, 2023) and will present it at the March 15 Board meeting. Work sessions are being scheduled during which the Supervisors and staff will discuss various aspects of the proposal. The public is invited to address the Board during the April 19 Public Hearing. Adoption of the budget is scheduled for May 3. Citizens who are not able to attend the public hearing may send their comments by [email](#) to the Board or voicemail message on the Budget Comment Line (890-3220).

Riverwalk Statues Getting Spruced Up for Spring

Visitors to the waterfront in the next few weeks may notice something missing...the statues of Washington, Comte de Grasse, Lafayette, and Rochambeau are being removed temporarily for refurbishing and repainting. As the most recent addition to the installation, Rochambeau has not experienced the effects that weather can have on the materials used to make these statues, so he doesn't quite match the other three. Artist Cyd Player will perform the work that should take approximately three weeks following their removal. Look for their return on your next visit to Riverwalk Landing.
