### County Redistricting Information Available Online

The Board of Supervisors received a presentation at its February 1 meeting about the County's upcoming redistricting, made necessary by the uneven population distribution as determined by the 2020 Census. The redistricting option preferred by the Board has been placed on the [Board of Supervisors website](#). Comments regarding the proposed redistricting may be [emailed](#) to the Supervisors. Once approved, the Voter Registrar will mail new voter registration cards to those affected by the redistricting. The cards will also include the voter's new polling place.

Well, not exactly. The four statues at Riverwalk Landing – Washington, Comte de Grasse, Lafayette, and Rochambeau – have been temporarily removed. Artist Cyd Player is working on them to make sure they match and that they are ready for visitors when the weather warms up and people head back out to the beach and Riverwalk. We miss them already, but they'll be back before too much longer.
