Richard reported the Security Plan is an ongoing project.

Looking forward to June primary we may have a problem having school custodians' help set up precinct the night before the election due to Monday being a holiday and schools will be closed.

Richard has spoken with ESS concerning date to repair the 450 machine. ESS technicians will be coming in February to update all machines. This will be considered our annual maintenance and will also include training. Time of ESS updating of machines, annual maintenance, and training will be coordinated by Walt.

There being no further business, the meeting adjourned at 11:39 a.m.
