Hurricane Ian Impacts York County Operations

York County staff continue to monitor the track and potential impact of Hurricane Ian this weekend and into early next week. Due to the forecast, the **Yorktown Wine Festival** scheduled for tomorrow (10/1) has been postponed to November 13. Tickets will be honored on the rescheduled date. Additional information is available [online](#). In addition, several of the **County's parks** are either closed or have limited field access. Visitors are asked to check the [RainoutLine](#) for park status (also by phone to 757-890-3501). This evening's **Skate, Rattle, and Roll** program is cancelled. Due to the potential for coastal flooding with this storm, the lots at the **McReynolds Athletic Complex** and **Chisman Creek Park** have been opened for the **parking of vehicles** (i.e. RVs, boats, trailers, trucks, etc.). Residents are asked not to park vehicles at County school sites. As a reminder, there is no Market Days scheduled for this weekend. Market Days returns next Saturday (10/8) with the [Fall Festival](#). *As information becomes available throughout severe weather, updates will be posted on the [website](#) and [Facebook](#) page.*

Public Meeting Scheduled About Proposed Sound Buffer in Tabb

York County has scheduled a public meeting regarding Sims Metal's request to install a noise buffer between its location on Route 17 in Tabb and nearby residences. County staff and representatives from Sims Metal will present information about the proposal at the meeting on Wednesday, October 12, at 7 p.m. at Tabb Library (100 Long Green Blvd.). Although the meeting's target audience is residents of the Tabb Lakes neighborhood, all are welcome to attend. Additional information about the meeting is available [online](#).

Additional Notes for the Week... The next meeting of the **Board of Supervisors** is Tuesday (10/4). The meeting agenda is available [online](#). The Board's October 18 meeting has been cancelled, and the Board does not meet the first Tuesday in November. The next meeting is Tuesday, November 15. In addition, the **Planning Commission's** meeting scheduled for October 12 will not be held due to there being no applications to be heard. Bring your lawn chair (and your dancing shoes) to **Riverwalk Landing** from 6:30 to 8:30 p.m. on Oct. 6 to hear **The Whiskey Rebellion** fuse hit pop and rock songs – like Neil Diamond's "Sweet Caroline" and The Weekend's "Blinding Lights" – into bluegrass melodies.
