RE: York County Wetlands Application 22-59; VMRC 22-2198 for Department of Defense-AFETA Camp Peary

Dear Ms. Keirn:

On September 15, 2022, we received the above-referenced application request to improve an existing dock and boat ramp located along Ferry Point Road to access Carter Creek. We have reviewed the application and determined the project **WILL** require a York County tidal wetlands permit.

The next York County Wetlands Board public hearing is scheduled for 6:00 p.m. on Thursday December 8, 2022. The hearing will be held in the Multi-Purpose Room in the Public Works Administration building at 105 Service Drive, Yorktown, Virginia.

According to §23.1-7(c) of the York County Code, a nonrefundable filing fee of \$150.00 is required to cover the cost of advertising and processing your wetlands application. **This fee must be paid by November 17, 2022** for your application to be considered for the December hearing. Please submit payment to this office either in person or by mail. The check should be made payable to "Treasurer, County of York."

Sincerely,

Kent Henkel  
Engineering Specialist III
