## ATTRACTING NEW BUSINESSES

In attracting new commercial enterprises to the County, ETD:

- Prepares customized proposals
- Identifies unique real estate and business partnering opportunities
- Furnishes information about local, state and federal assistance
- Helps businesses with workforce training and development needs

## SUPPORTING EXISTING BUSINESSES

The majority of commercial growth comes from existing industry. ETD staff conducts industry visits, as well as an annual Business Retention Survey, to help gauge the current business climate in the County. Among its many services to existing businesses, ETD:

- Assists with local, state and federal permitting and regulatory requirements
- Offers grant and incentive programs
- Provides current demographic, consumer spending and traffic data
- Helps with workforce training and development
- Offers networking opportunities and educational workshops

## CULTIVATING AN ENTREPRENEURIAL ENVIRONMENT

To build innovative new business development in York County, ETD:

- Partners with local businesses on education and training initiatives
- Advocates for licensing/permitting procedures that are business-friendly
- Provides new business networking, grant and scholarship opportunities
- Recommends changes in legislation aimed at improving the business environment

## ENCOURAGING PROPERTY DEVELOPMENT

Working with businesses and developers on infrastructure improvements, ETD:

- Develops and expands commercial properties
- Acquires and develops surplus or underutilized public properties
- Procures property for future industrial/commercial development
