More Reasons to Visit Riverwalk Landing!

The sun will be shining in Yorktown Saturday (6/3) during **Yorktown Market Days!** Over 40 food vendors and artists will be selling seasonal produce, seafood, pick-me-ups, sweets, woodcrafts, glass art, and much more from 8 a.m. to 12 p.m. Stop by to shop, enjoy the breathtaking view, and listen to A Taste of Love with Bart and Jan from the Riverwalk Landing stage. Speaking of music, don't miss Strictly Bizzness as the band performs rock, country, and blues at the next **Sounds of Summer concert** Thursday (6/8) from 6:30 to 9 p.m.

Be sure to stop and admire the colorful **flower baskets** placed on Riverwalk Landing's light poles this week by the Department of Public Works Grounds Maintenance staff! These hangings complement the gorgeous landscaping visitors can see while at Yorktown Market Days, the Sounds of Summer concerts, visiting a shop or restaurant, and enjoying a day at the beach! Kudos to the entire Grounds Maintenance team for the great work. *Shown in the picture installing the baskets are Tommy Farmer and Sam Keffer.*

Zweybrucken Road Sidewalk Complete; More on the Way

The next time you visit Historic Yorktown, you will notice a change in the landscape near the big Yorktown sign and along Zweybrucken Road to/from the Victory Monument. The beautiful new, brick sidewalk is ready for all to enjoy. This project completes the year-long plans to make all of the village safer for pedestrians with sidewalks circling the historic area. Another new one not far from Yorktown is along Old Williamsburg Road, connecting the apartments with the Naval Weapons Station. While that segment is complete, work moves to the

opposite side of the road that will connect Lackey Clinic with Charles Brown Park. Starting soon is the project on Penniman Road/Merrimac Trail. If you would like to keep up-to-date on these and other projects, visit and bookmark the County's [Bikeways & Walkways Map](#) just added to the [Development Dashboard](#).
