Lackey Clinic Services

Primary and Specialty Medical

We offer primary and specialty medical care to adults who are uninsured and cannot afford healthcare.

Dental Care

We provide free dental care, such as fillings, cleanings, and tooth extractions, to adults in Virginia who are uninsured or don't have dental insurance.

Virtual Urgent Care

We offer free virtual urgent care in Virginia for adults who have an urgent medical or dental need. Book your video appointment from the comfort of your home.

Eye Care

Lackey works closely with local Ophthalmologists and specialty eye care providers to provide free or reduced-cost specialty care.

Free and Low-Cost Medications

Lackey Clinic has an in-house pharmacy where you can pick up your medications right after your doctor's appointment or anytime during pharmacy business hours.

Behavioral Health Counseling

If a patient feels they need to speak to a behavioral health specialist, Lackey Clinic provides free behavioral health to currently enrolled medical patients.

Telehealth Services

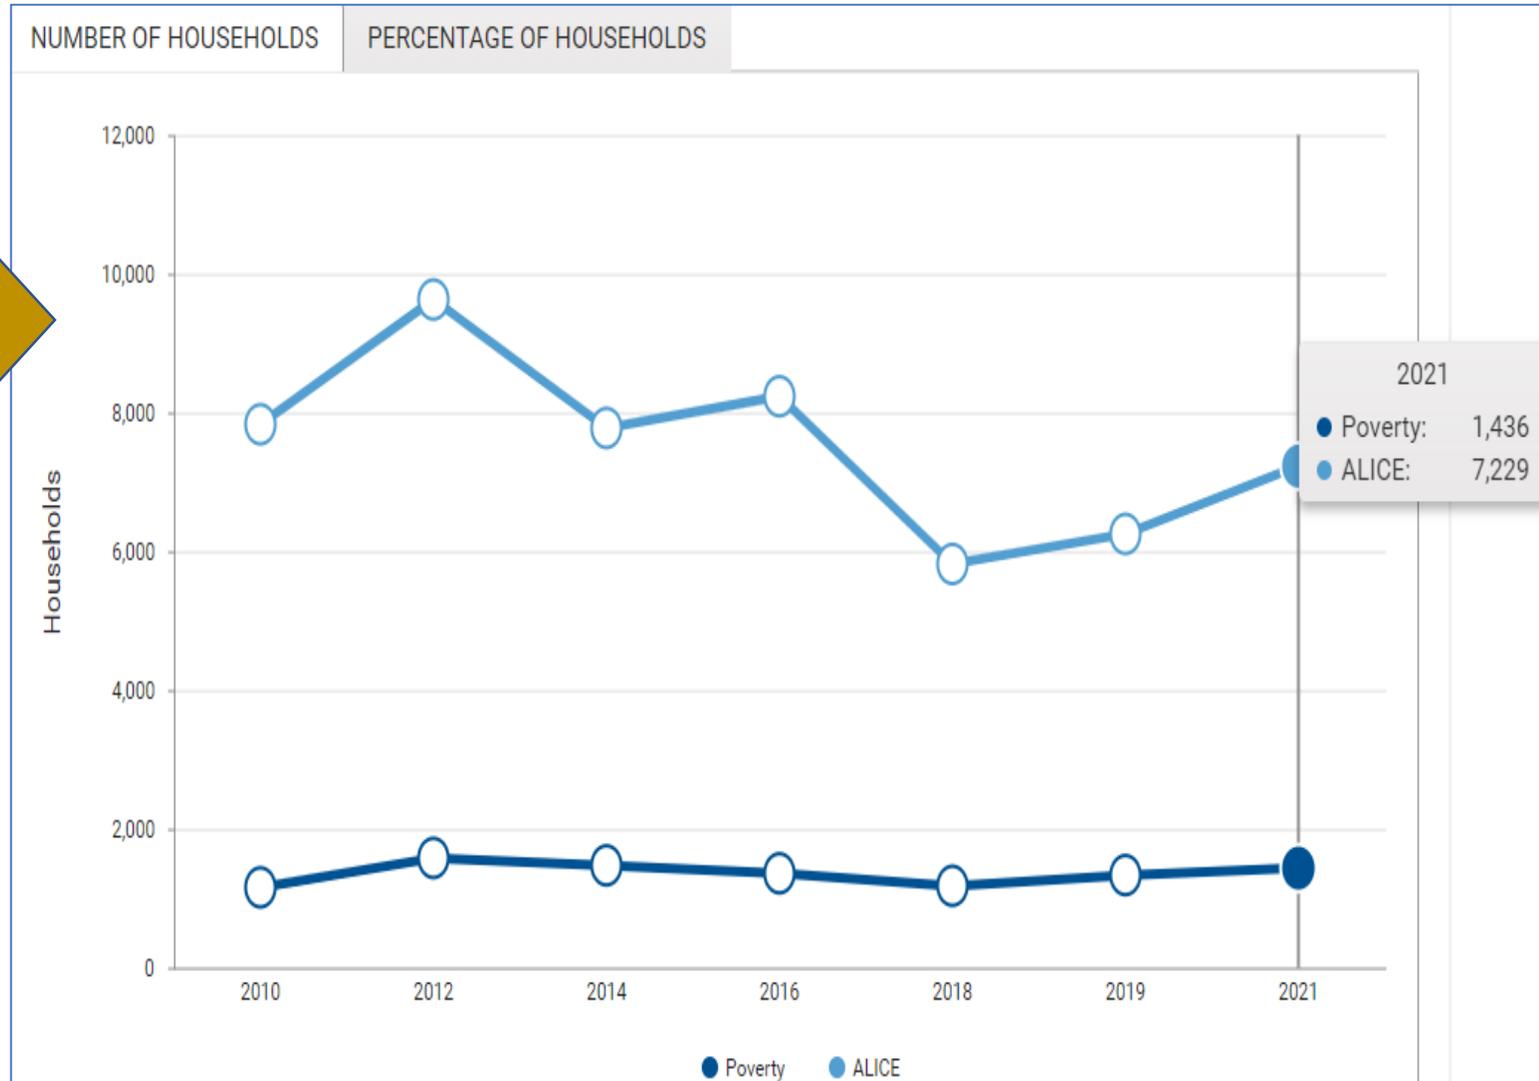

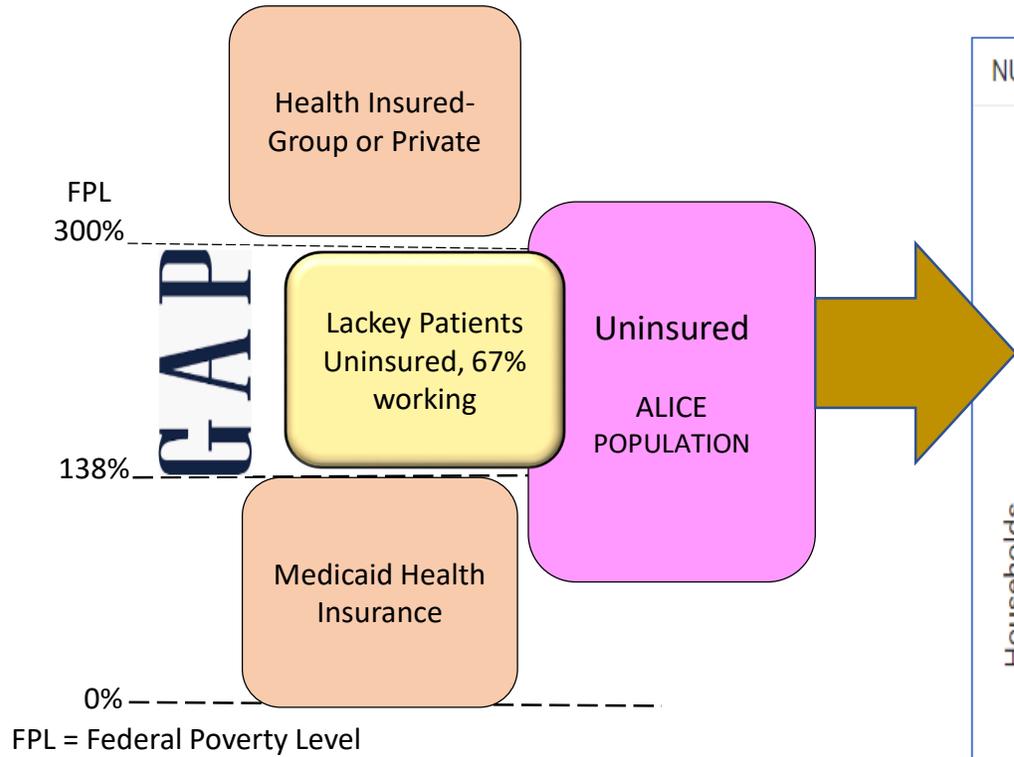

With the advent of telemedicine, people can now see a doctor without waiting until they're critically ill, breaking the vicious cycle of neglect and illness.

Spiritual Care

We offer these for patients of various faiths as well as those seeking God's help apart from identified religions. Help patients and staff access their faith for the healing of body, mind, and spirit.
