

# COUNTY OF YORK

## MEMORANDUM

**DATE:** May 8, 2024  
**TO:** York County Board of Supervisors  
**FROM:** Mark L. Bellamy, Jr., County Administrator  
**SUBJECT:** Senior Transportation Service Update

We are excited to share an update on the Senior Transportation Service, which launched on April 15, to assist Senior Center of York participants with rides. The service operates on Mondays, Wednesdays, and Fridays from 8:15 a.m. to 11:15 a.m. Riders may purchase a \$25.00 punch card for ten rides per card, each ride costing \$2.50.

Currently, we have two work-as-required drivers, serving a total of 6 participants during these hours. We seek to recruit volunteer drivers through flyers distributed throughout the County, Facebook posts, and a slide on our government channel.

Feedback from our participants is overwhelmingly positive, with riders praising the friendly, punctual, and helpful drivers. They feel safe and comfortable during the rides. Some participants have expressed interest in extending the service to cover afternoon programs and special events at the Senior Center of York.

In conclusion, the Senior Transportation Service has been a valuable addition to the Senior Center of York, providing our participants with reliable and affordable transportation options. We look forward to the possibility of extending the service.

The Senior Center of York is seeking volunteer drivers to provide transportation assistance for some of our participants. Many seniors rely on our center for social activities and services, but some may face challenges getting to and from our facility.
