Mr. Mark Bellamy  
County of York  
224 Ballard Street  
Yorktown, VA 23690

Dear Mark,

The *York County Community & Regional Support Grant* is a true gift to our community, thank you!

Because of the County of York support, the Virginia Living Museum continues to deliver natural science education to hundreds of thousands of learners and every guest who visits the Museum, and enables a science literate community.

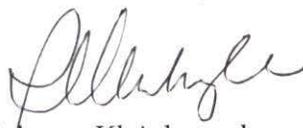

Thanks to York County's grant approximately 250,000 guests—about half of them children—enjoy STEM science education each year through hands-on exhibits, programs, and planetarium shows. As a valued resource for Virginia public schools, last year the Museum educated over 34,000 K-12 students in 29 school districts through on-site programs and classroom outreach.

Thanks to the York County Community & Regional Support Grant, the Museum continues to expand its reach and strengthen its relationship with additional local schools each year.

Please retain this letter as a receipt of your grant.

Gift Date: July 30, 2024
