### PORTIONS OF PENNIMAN ROAD TO CLOSE FOR ROADWAY IMPROVEMENTS PROJECT

*Closures and signed detours will be in place as early as Nov. 19*

**YORK COUNTY** – Beginning as early as Nov. 19, contractor crews with the Virginia Department of Transportation (VDOT) are scheduled to close portions of Penniman Road, as construction continues on the Penniman Road Roadway Improvements Project in York County.

The long-term closure will be in place on Penniman Road between William Carter Road and Alexander Lee Parkway. The closures are estimated to be in place through August 2025.

Signed detours will be in place directing motorists to use Government Road, Route 199 (Humelsine Parkway), and Penniman Road to access Alexander Lee Parkway and Penniman Road. U-turns will be in place on Alexander Lee Parkway and Penniman Road prior to the closures.

Access to all private property will be maintained.

In addition, the previous [Government Road](#) and [Penniman Road](#) closures will be lifted prior to this upcoming closure on Penniman Road.

The \$3.8 million construction contract to widen the lanes on Penniman Road and reconfigure the intersection with Government Road was awarded to Henry S. Branscome, Inc. in December 2023. Construction is estimated to be complete as early as late summer 2025. All work is weather- and schedule-dependent; therefore, this schedule is subject to change.

For additional information on the project, visit the project webpage at <https://www.vdot.virginia.gov/projects/hampton-roads-district/route-641-penniman-road-roadway-improvements-project/>.
