Subject: [EXTERNAL] Cruise Ship restrictions: thanks!

A big thank you to the Board of Supervisors for seeing the need to regulate potential large cruise ship traffic in Yorktown. Small towns similar to Yorktown all along the East Coast are suffering because they did not do the same. While I hope there may be further, more specific before-the-fact restrictions, for example on bus traffic, bus emissions, disembarking numbers, etc., this is an excellent first step and at least gives citizens a voice in Yorktown's future.
