

COUNTY OF YORK

MEMORANDUM

DATE: May 2, 2025

TO: York County Board of Supervisors

FROM: Mark L. Bellamy, Jr., County Administrator

SUBJECT: Summary of Grants Received – FY2023, FY2024 and FY2025 YTD

At the Board’s April 17 Work Session, the Board and staff briefly discussed the County’s ongoing efforts to pursue grants as a means of supplementing County funds. In response to the Board’s request for additional detail, the table below provides a summary of federal, state, and local grants by type received during fiscal year 2023, 2024 and to date in 2025. Because most of the grants are reimbursement-based, the FY 2025 year-to-date figures are currently trailing behind actual activity.
