To: York County Board of Supervisors Holroyd, Noll, Roane, Shepperd.

Info: York County Administrator Bellamy and Staff.

From: York County Professional Fire Fighters, Paramedics and 911 Dispatchers

Subject: The York County approved budget for Fiscal Year 2026.

On behalf of our Local President, Executive Board, nearly 300 Members and thousands of Family Members. I want to thank you all for your many hours of work and those who voted for the passage of the FY 2026 Budget. As with any budget process no one gets everything they ask for.

As the old saying goes "You Get What You Pay For." Take it from us "Public Safety Officials" York County citizens and businesses enjoy some of the best services in our entire area with our Public Safety being second to none. Unlike surrounding localities, there are no delays in Emergency Responses or Emergency Calls that go unanswered. This could change in the future of York County if Minimum Safe Staffing Levels are not met and maintained, combined with highly trained and fairly compensated staff.

We look forward to the FY2027 Budget process and know you will consider Public Safety, Pay, Benefits and Workers Rights as part of all current and future budget processes. Once again, Thank You for your service, commitment to York County Citizens, Business Owners and for those who provide Superior Public Safety to the same. Thank you for always "Protecting the Protectors."

Warm Regards

*WLL*
