

Courage Award Citation: Margaret Annett

Margaret, or Maggie, Annett has been chosen by the Selection Committee to receive the 2025 Outstanding Youth Award for Courage, which she demonstrates through her various leadership roles and initiative.

In today's society, it can be difficult to step up and speak your mind. There is a tremendous amount of social pressure to fit in, to conform to the popular opinions of you peers and your community. It takes a great deal of courage to stand up for what you believe in, and as such, become a leader. However Maggie has never wavered in her determination, and sets an example to all of her fellow students, friends, and family of what a Leader can be.

Since her sophomore year of high school, Maggie has held both vice-president and president positions in her student government. She works with the school's United Tigers group, encouraging inclusion of all students. She is the voice of reason in planning committees, reminding fellow students to think of the school as a whole, not just personal agendas.

Maggie leads by example, whether it is leading cheers at football games or organizing clean-up crews, pep rallies, and dances. She steps up for her athletics teams, serving as Team Captain and a veteran leader on her Basketball and volleyball teams. She organized a Fall Festival for Tabb High School, a day of service to the building with other activities. Anyone that gets to know Maggie, will come to learn that her attitude and courage are infectious, and she wants to make a difference.

Maggie, on behalf of the Board of Supervisors and Youth Commission, we would like to publicly recognize you as the most worthy recipient of the Outstanding Youth Award for Courage. We extend our sincere admiration and respect for your exemplary spirit of courage. The Board of Supervisors and Youth Commission's best wishes go with you as you continue to use your bravery to march through life.
