You don't often get email from oldponi@verizon.net. [Learn why this is important](#)

I understand there is going to be a BOS meeting on the 17th of this month and there will be information on the BOS meeting in February when new regulations on the homeowner's upkeep of their property will be discussed. This email consists of photos of 108 Ambler St. taken today. There is one more email forthcoming of three more photos taken today also. Please show the photos to all of the board members. I will attend the meeting also. Thank you
