

## YCPL Make It On Demand Pricing Guide

The library sells a limited supply of materials. Material availability is not guaranteed; prices are subject to change. Please email [reference@yorkcounty.gov](mailto:reference@yorkcounty.gov) to see what materials are available. Because we are an experimental not commercial space, the Library does not offer refunds on requests.

### 3D PRINTER

*Note:* Grams of filament are determined by the printer's slicing software before the request is printed and includes support material.

- **PLA, various colors:** \$1 per print, plus 10 cents per gram of filament used

### GLOWFORGE

All requests are charged a \$1 processing fee.

*Note:* Amount of material used is determined by the GlowForge design software before the request is created.

- **Wood**

- **Birch Plywood:** 12"x20" / 1/8" thick: \$8 a sheet; \$4 per half sheet; \$2 per quarter sheet

- 5"x10", 1/48" thick: \$15 per sheet; \$7.50 per half sheet; \$3.75 per quarter sheet
- 5"x10", 3/64" thick: \$17 per sheet; \$8.50 per half sheet; \$4.25 per quarter sheet

- **Bring Your Own Materials**

*NOTE:* If you wish to bring your own materials to cut on the Glowforge, you may do so. To ensure the longevity of the machine/filter and safety of staff, the materials MUST be Glowforge Proofgrade brand materials and still have the original labelling. Staff reserve the right to deny materials they believe are not Glowforge Proofgrade. Materials will need to be dropped off with the processing fee before the request can be completed. Please contact staff via email at [reference@yorkcounty.gov](mailto:reference@yorkcounty.gov) with questions regarding material.
