### Spark Awareness During Fire Prevention Week!

Fire Prevention Week is almost here! Each year, it's observed during the week of October 9 to honor the anniversary of the Great Chicago Fire of 1871, a tragic event that forever changed the way communities approach fire safety. **This year's observance runs October 5–11** and focuses on a growing concern in modern households: lithium-ion battery safety. The 2025 theme, **“Buy, Charge, and Recycle Safely,”** encourages everyone to take simple steps to reduce fire risks. Always purchase safety-tested devices, charge them in safe areas away from flammable materials, and dispose of old batteries properly through approved recycling programs. Visit our [Fire Prevention Week webpage](#) to learn more about protecting your home and loved ones. Plus, don't miss our **Fire Station Open House on Saturday, October 11**, from 1 to 3 p.m. at Fire Station #1, 118 Dare Road. Meet your local firefighters and deputies from the York-Poquoson Sheriff's Office, explore fire trucks and equipment, and enjoy family-friendly activities. It's a fun and educational way to celebrate fire safety together!
