Public Meeting on Housing Rehabilitation and Accessibility in Penniman Road Corridor

York County is taking an important step toward strengthening neighborhoods and supporting residents along the Penniman Road Corridor. The Division of Housing and Neighborhood Revitalization has been awarded a \$75,000 Community Development Block Grant (CDBG) from the Virginia Department of Housing and Community Development. This funding will help conduct a comprehensive assessment of housing needs in one of the County's most historically affordable areas.

To ensure this effort reflects the community's priorities, a public meeting will be held to provide information about the CDBG program and offer residents an opportunity to share their thoughts on housing needs in the Penniman Road Corridor. Community input will help shape a phased strategic plan for future improvements funded by CDBG projects.
