Mr Mark Bellamy,
County Administrator

FISH is very grateful for your donation of \$4815.00 from a grant.

We have been helping those in need in the Greater Williamsburg Area for over 50 years. We provide food, clothing and small housewares to those less fortunate and your generous donation certainly helps us carry on.

We are seeing more Yorktown area residents in need and this enables us to help them even more.

Your continued gifts are much appreciated.

Sincerely,

Jill Holroyd
FISH President
