

Teens Needed as Leaders in Training (LIT)

Ages 14-16 can apply to be LITs at Summer Programs

February 23, 2018

Calling all teens ages 14-16! You are invited to become a leader in the community by assisting with our Summer Fun Camp and Field Trip Fever programs. Learn useful job skills, develop your leadership skills, and receive training such as first aid, CPR, and more. If you are creative, outgoing, and like to have a great time supervising children, please apply today. This program provides volunteer hours for school or scholarships all while having fun. We are flexible with schedules; students indicate their availability.

There is a \$25 application fee and an additional participation fee of \$125. Non-county residents pay an additional \$25. The fee covers uniform shirts, a summer social, field trip fees, incentives, and training costs. Interviews will be held on April 21 or April 28. The balance of the fee is due June 1.

For more information, please call the PRT office at (757) 890-3500 or email bonnie.fitz@yorkcounty.gov. Registration is available online at www.yorkcounty.gov/parksandrec.
