

Purpose: To establish a network of individuals trained in basic emergency response that can assist their families, neighbors, and community in both emergency and non-emergency situations.

The CERT training is free of charge and offered to the citizens of York County (18 yrs. of age and older) as well as to those who work or worship in the county.

If a disastrous event overwhelms or delays our emergency response capabilities, CERT members can assist others in their area by applying the basic response and organizational skills learned through their training. Creating a team of trained CERT members within your neighborhood, at work, or at your place of worship is encouraged.

CERT members are encouraged to maintain and refine their skills by participating in trainings and exercises beyond the original training. Various volunteer opportunities are available to members who want to further enhance the CERT program and/or to improve emergency preparedness knowledge, skills and abilities for others within our community.

Time Commitment: 1 night per week for 8 weeks / Thursdays from 6:00 – 9:00 p.m.
1 Saturday for the final exercise & graduation 9:00 a.m. – Noon
