

York County Parks, Recreation and Tourism Fall Adult Softball Registration

York County Parks, Recreation and Tourism will be taking registration for its fall Adult Softball program in August. One Coed league will be offered on Friday nights, and one Men's League will be offered on Tuesday nights. All leagues will play double header games held at Chisman Creek Park or the York County Sports Complex.

“Returning softball teams” in good standing may register starting August 1st. “New teams” may register, if space is available, beginning August 8th. Registration will remain open until August 24th or will close once a league limit is reached. Team registration will be accepted in person, Monday through Friday from 8:15am-5:00pm at the Parks, Recreation and Tourism office which is located at 100 County Drive in Yorktown, VA.

The cost per team is \$450. Payment for the program reserves a team's space in their desired league. Interested individual softball players not affiliated with a team may be placed on a pool list to be picked up by a registered team. Please call (757) 890-3500 for more information.
