

Yorktown Trolley service resumes March 27

March 16, 2015

FOR IMMEDIATE RELEASE

The free Yorktown Trolley will begin its 15th year of service on Friday, March 27, and operate daily through November 1, from 11 a.m. to 5 p.m. with extended hours of 10 a.m. to 5:30 p.m. Memorial Day weekend to Labor Day.

Though meant to create a nostalgic, old-world feel with their mahogany and brass trimmings, the trolleys are equipped with modern amenities including air conditioning, televisions and more. The trolleys are also ADA compliant, featuring wheelchair access and a talking bus stop announcement system that accommodates both the hearing and visually impaired. The county currently operates three trolleys, all purchased mainly with state and federal grant money, and can transport up to 28 seated and 19 standing passengers at a time. The trolley transports nearly 100,000 passengers throughout Yorktown each season, which runs between the spring and fall.

The trolleys provide convenience and a break. Visitors can ride in the free air-conditioned trolleys during peak times in the summer months and during events held on the waterfront.

The trolley stops at designated locations every 20-25 minutes and the route begins at the Yorktown Battlefield Visitor Center and makes stops at the Victory Monument, Historic Main Street, Riverwalk Landing and the Watermen's Museum, among others, on its way to the Yorktown Victory Center on the other side of town.

For more information about the Yorktown Trolley, visit www.visitryorktown.org.
